PREFACE

National Education Management Information System (NEMIS), under the auspicious of Academy of Educational Planning and Management (AEPAM), has been issuing this annual publication as one of the regular and major annual activities since 1992-93. The present edition for the year 1996-97 is the 7th in the series. This publication on the National Scenario of Schools and Higher Education contains upto date data on almost all education development activities in Pakistan with a breakup by administrative units viz districts, divisions, provinces as far as possible. It contains the data on basic information of schools/institutions, enrolment by class, level, gender and location. The data on available and deficient basic facilities in schools have also been reflected in a variety of tabulated formats. It also contains statistical abstracts which gives a comparative data picture of school education sector of Pakistan.

This publication is based on the original work done by the provinces of the Punjab, Sindh, Balochistan, NWFP, AJK, FATA, FANA and Islamabad Capital Territory (ICT). It is the outcomes of the efforts and professional expertise induced by the Provincial EMIS Centres and district EMIS Cells, in the process of data collection surveys, computerization, and data processing tasks and reporting of the data in the formats in line with the needs of the educational, administrators and planners both at provincial and national level.

This publication facilitates the data users in many fold, for the various educational development programmes and for the experts working on the development of Education Projects in Pakistan. It also provide baseline statistical data to the donor agencies both at home and abroad for the designs of financial and technical assistance to the education sector.

The professionals and officers of NEMIS/AEPAM deserves appreciations to develop this national publications on Education Scene in Pakistan for the year 1996-97.

The Provincial EMIS Coordinator did their job in an excellent manner and contributed their professional expertise to develop the EMIS data base in the provinces and transmitted the original data on diskettes to NEMIS/AEPAM, Islamabad.
